

April 2024 Newsletter

Life is full of things we do as routine everyday. Things we hardly think about. We get up, shower, eat breakfast, clear the dishes etc etc! Some days are the same as the day before and pretty boring.

Since we became Christians we have celebrated Easter year after year like a routine and haven't really taken into consideration the real significance of Jesus' death on Good Friday and His resurrection 3 days later.

On the cross, He has taken our sins on His shoulders and we have been forgiven. Our reward is to be with Him in heaven when we die. That is amazing!

Thankyou Jesus and we give you our heartfelt thanks for saving us.
